

surround from their racking tortures. The weak physical structure vainly seeks to combat with the fast controlling desire. The brain longs for forgetfulness, man yields and narcotism assumes the rule. Under the temporary soothing influence of those dreadful allies of destruction, opium, morphine, cocaine or the fiery reckless indifference engendered by intoxicants, reason finally totters on her throne, and threatens to fall and drag the physical formation with it to utter ruin. Science alone intervenes and casts its shield between the destroyers and their victim. Calmly but firmly it lays hands on the faltering one, and bids him arise and cast the shackles off. Its Argus eyes have penetrated the hidden secrets of nature's laboratories and brought forth in the Hagey treatment a potent cure. Under its treatment the afflicted one in three weeks again assumes his nearly forfeited lordship over the brute. The Hagey cure is an infallible one for the opium, morphine, cocaine, tobacco and drink diseases as can be vouched beyond dispute by the patients at the Institute in the Westminster Hotel, San Jose.

THE TEXAS ALL RIGHT.

Tugs at Work Pumping the Water Out of Her Hold.

New York, N. Y., Nov. 10.—The United States battleship Texas was today lying at her berth alongside the Cob dock at the Brooklyn Navy-yard with the wrecking tugs still pumping hard endeavoring to clear her of the water which flooded part of her interior when she suddenly sank yesterday.

As soon as the engine room of the Texas was pumped dry of water, work was begun by engineers and firemen to prevent any serious injury to the machinery from the salt water in which it had been submerged.

It is said that there will be little or no permanent damage sustained in this respect. The engines were given a thorough washing down to-day to clear them of the muddy water, and a force of men is at work on them, rubbing and oiling to prevent rust or other injury.

Washington, D. C., Nov. 10.—Secretary Herbert has changed the president of the court of inquiry in the Texas accident, which is to meet at the New York navy-yard to-morrow, on account of the illness of Commodore Miller. Commodore John A. Howell, commanding the League Island yard, will preside.

Information for Tourists.

A passenger by the last Colonial steamer was met on the dock by a Milesian American friend, who resides in Honolulu. As the pair waited to have the newcomer's gripsack scrawled over with chalk marks by the Customs Inspector at the gate the stranger remarked to his friend "Do you 'ave much rain 'ere?" RAINIER me boy, gallons of it, just come up to the Anchor Saloon where they keep it always, clear and cool. We'll just be in time for lunch too and that's the only place in town where they serve it up in proper style with a glass of RAINIER BEER to equilibrate the solids—They went!
